

Tender Offer Terms & Conditions

Except as varied by these Tender Offer terms and conditions, the Alliance Healthcare (Distribution) Limited ("Alliance Healthcare") standard Terms and Conditions of Sale (a copy of which can be found at <http://www.alliance-healthcare.co.uk/useful-information/terms-and-conditions-of-sale>) apply to all purchases you make from Alliance Healthcare.

1. Tender Offer Definitions:

"Calendar Month" means the period beginning on the first day of the calendar month and ending immediately prior to the commencement of the first day of the next Calendar Month.

"Spend Target" means a minimum spend of £200.00 on generic products contained in this price list with Alliance Healthcare per account per Calendar Month.

2. In order to be a member of this Tender Offer and qualify for a retrospective rebate, each account will need to meet the Spend Target of £200.00, in each Calendar Month. Failure to do so will mean that you will not be given a retrospective rebate for that Calendar Month and may no longer qualify for this offer and may be removed from the Tender Offer at our discretion.
3. This price list contains details of generic prices and a rebated price for each product. If you achieve the Spend Target you will be paid a retrospective rebate, being the difference between the invoice price and the rebated price for the product.
4. Any invoice queries must be raised with the Alliance Healthcare Customer Services Team within 3 working days of the invoice date.
5. Payment of any rebate by Alliance Healthcare is subject to there being no overdue payment owed to Alliance Healthcare from the relevant account.
6. Under the terms of the 'Tender offer', rebates will be paid via BACS from Alliance Healthcare. Any discrepancies with rebates must be notified to Alliance Healthcare Customer Solutions Team within 7 days of receipt of the rebate.
7. Rebates will only be made to your nominated trading account name and this must be in the name of the sole trader/owner of the business or to the limited company name where trading as a limited company.
8. These generic prices override the standard generic price detailed in the Alliance Healthcare Medical Product Directory.
9. All prices are correct at time of going to print but are subject to change and product availability.
10. All figures used in the calculation of your purchases, discounts and targets exclude VAT.
11. All products listed herein marked as 'Almus®' may be substituted by Alliance Healthcare with an alternative livery in order to fulfil customer demand and maintain supply.
12. All products listed herein may be substituted by Alliance Healthcare with an alternative livery in order to fulfil customer demand and maintain supply.
13. Alliance Healthcare shall be entitled to review, amend or terminate this offer or any prices in the Tender Offer price list at any time.
